I write to state that it has been directed by Government in the Revenue Secretary's letter No L 14594 dated 16-5-48 that <sup>the</sup> underground drainage work need not be taken up now and that it is sufficient if the surface drainage as sanctioned in G O No L 8693-6/ml 77-43-16 dated 18-2-44 is pushed through urgently. Accordingly a reference has already been made to the Chief Engineer for Roads and Buildings in Mysore, Bangalore to take up the work on hand very early. The Sanitary Engineer has intimated on 8-6-1948 that the sanctioned estimate for Rs 39,930/- which was got up in 42-43 is being revised according to current market rates.

In the mean while the Municipal Council of Belur have passed a resolution at their meeting held on 31-10-48 to request Government to sanction the construction of underground Drainage as in the case of ~~the~~ Mandya, 2/3rds of the cost being met by Government, since Belur is also a talnad. I have herein enclosed a copy of the said resolution for orders of Government.

Further, the Municipal Council have resolved to send a deputation consisting of some of the members for this purpose and to spend a sum of Rs 100/- for this purpose. As T A is permissible out of Municipal funds for deputation of members and the Municipal President has been intimated accordingly.

Yours faithfully,

*L. Whitham*
